Group Benefits for Pharmacies

British Columbia
Pharmacy Association

Insurance Program

Group Benefits for Pharmacies

A program specifically designed for Pharmacies and their employees.

Employee Classes

Each store's employees fall into one of 4 classifications.

- Class 1 Owners & Managers
- Class 2 Pharmacists
- Class 3 Pharmacy Technicians
- Class 4 All other employees

Benefits are available to full-time or permanent part-time employees working 20 hours or more per week, 25 hours or more for class 4.

Life Insurance

Each store chooses their coverage option. All employees are covered, based on the option chosen.

Life Insurance Coverage		
Option 1	Classes 1, 2, 3 Class 4	\$50,000 \$25,000
Option 2	All Classes	2 x annual earnings
Option 3	Class 1 Classes 2, 3, 4	2 x annual earnings 1 x annual earnings
Option 4	All Classes	1 x annual earnings

This benefit provides 24-hour protection. Benefits are payable in the event of an insured employee's death at any time or place, from any cause.

Coverage reduces by 50% at age 65 and terminates at age 70 or earlier retirement.

The Basic Life benefit includes a Living Benefit payout option for terminally ill employees.

Accidental Death and Disablement (A.D. & D.)

This benefit provides 24-hour protection. Benefits are payable in the event that an insured employee's death is the result of an accident.

Insured will receive an additional amount equal to the life insurance benefit.

Payouts are also made when an accident causes loss of or loss of use of sight, hearing or appendages. As an example, 2 times the insured amount is paid for an accident that causes para, hemi, or quadriplegia.

Additional payments are made for disablement, up to:

- \$15,000 for rehabilitation costs
- \$15,000 for family transportation and subsistence if injury occurred more than 150 km from home
- \$50,000 for home and vehicle modification
- \$50,000 for personal mobility device such as electric wheelchair, lifts, etc.
- \$5,000 for special fitness or athletic equipment
- \$25,000 for cosmetic disfigurement
- \$10,000 for survival of heart attack, cancer, stroke or kidney failure
- \$25,000 if auto accident and seat belt was fastened
- \$2,500 for hospital confinement

Additional payments are made for accidental death, up to:

- \$15,000 for spousal retraining
- \$15,000 for repatriation/identification if loss occurred more than 150 km from home
- \$5,000/child/year up to 4 years for college tuition
- \$5,000/child/year up to 4 years for day care
- \$1,000 for bereavement counselling

Dependent Life (Optional by Store)

Each store chooses their coverage option. All employees who have dependents are covered, based on the option chosen.

	Spouse	Each Child
Option 1	\$5,000	\$2,500
Option 2	\$10,000	\$5,000

Benefits are payable as a result of an insured dependent's death at any time or place, from any cause.

Short Term Disability (Optional by Store)

Each store chooses their coverage option. All employees are covered, based on the option chosen.

All classes

1-8-17 weeks (benefits commence after 1 day in the event of accident, 8 days in the event of sickness and pay for up to 17 weeks)

When employees are absent from work for brief periods as a result of illness or injury, this benefit pays a regular weekly income equal to 70% of the first \$700 of weekly earnings, plus 50% of the balance to a maximum of \$1,000 per week.

Benefits can be paid tax free if the employee pays the cost of this benefit (either directly or as a monthly taxable benefit).

Long Term Disability (Optional by Store)

Schedule of Benefits for all stores

Benefit amount is calculated as 70% of the first \$3,000 of monthly earnings, plus 50% of the balance. Overall maximum benefit is \$6,000.

Benefits commence after 17 weeks of absence and are payable as long as disability exists or to age 65.

Benefits are payable for accidents or sicknesses that cause **total disability**. Benefits for an employee who is totally disabled will be paid up to 24 months* if they are unable to substantially perform the duties of their regular jobs. Beyond 24 months, total disability benefits continue to individuals who, because of their disability, cannot work in any gainful occupation for which they are or may reasonably become qualified.

Partial Disability benefits can be paid to all Classes who return to their own or another job, but at a reduced basis.

Benefits can be paid tax free if the employee pays the cost of this benefit (either directly or as a monthly taxable benefit).

- 60 months for Classes 1 & 2

Extended Health Care

Benefits are available to Employees and their Dependents.

Each store chooses their coverage option. All employees are covered, based on the option chosen.

Type of Services	
Option 1	100% coverage, no prescription drug coverage , Vision care at \$150 every 2 years
Option 2	100% coverage, prescription drugs at 80%, Vision care at \$150 every 2 years
Option 3	100% coverage prescription drugs at 100%, Vision care at \$250 every 2 years

This is a complete supplement to the Provincial Medical Plan (MSP) and does not replace this coverage.

All employees enrolled in the plan must participate in this benefit unless they are covered under a spousal health plan.

For Options 2 & 3, Pay Direct Drugs are a further option.

Extended Health has a \$1,000,000 lifetime maximum. Additionally, certain specific benefits have annual or lifetime maximums.

All plans provide:

- semi-private or private hospital room accommodation
- out-patient, emergency ward, short stay and hospital co-insurance charges

 - orthotics to a maximum of \$200/year
 - hearing aids up to \$500/3 years.
 - dental accident coverage
 - oxygen, plasma and blood
 - Eye exams up to \$50/2 years

Travel Insurance

All extended health care plans include out-of-province coverage at 100%

- 60 day emergency out-of-country coverage (travel insurance)
- emergency charges for hospital room, board and medical services; prescription drugs; and ambulance
- includes 24 hour availability to trained multilingual assistance to help identify the appropriate medical care in the area, assist in emergency medical payments, arrange medical transportation, both locally and for return home, assist travel companions, and contact relatives as well as personal physicians.

Dental Care

Benefits are available to Employees and their Dependents.

Each store chooses their coverage option. All employees are covered, based on the option chosen.

Type of Services	
Option 1	80% basic services (incl. Periodontics and endodontics), \$1,500 max. per person per year.
Option 2	80% basic services, 50% major services, \$2,000 max. per person per year combined. Orthodontics @ 50% to a lifetime maximum of \$2,000 can be added as a further option for pharmacies with 5 or more employees.
Option 3	100% basic services, 50% major services, \$2,000 max. per person per year combined. Orthodontics @ 50% to a lifetime maximum of \$2,000 can be added as a further option for pharmacies with 5 or more employees.

There is no deductible

Basic services are considered: restorative, cleaning, scaling (up to 10 units/year), exams (once every 6 months), fluoride, extractions, root canals and periodontal work.

Major services include crowns, caps, and bridgework.
