Our Annual Conference is coming to Vancouver

After more than a decade, the BC Pharmacy Association's annual conference is returning to Vancouver in 2019. The event will be held from May 10 - 11, 2019, at the Hyatt Regency Vancouver. Expect larger audiences. Provocative Speakers. New insights. Key learnings. Breathtaking scenery and a convenient location.

Our annual event is attended by more than 300 delegates in the pharmacy sector, including front-line B.C. pharmacists and key decision makers from across Canada.

Our theme for 2019 is about finding solutions. It's about helping find solutions for payers, for pharmacists and for our patients.

This package outlines the different sponsorship levels and benefits available to you as a key partner.

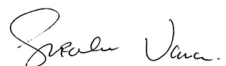

Your support is integral to our conference, most notably it includes:

- Bringing continued awareness and support of your brand to community pharmacists. Through sponsorship branding, you can ensure visibility among your peers and valued colleagues, providing you an opportunity to stay top of mind.
- Recognizing outstanding pharmacy achievements in B.C. at the BC Pharmacy Awards Gala. Through sponsorships we are able to celebrate and award a select deserving pharmacists who have excelled in the profession, encouraging them to continue and share their experience with others.
- Supporting the future of pharmacy. Every year, over 20 pharmacy students are able to earn a sponsored spot in a group competition, allowing them to attend the annual conference, connect with established pharmacists and provide a truly meaningful experience.

Thank you for taking the time to review the BC Pharmacy Association's 2019 annual conference Sponsorship and Exhibitor Package.

If you have any questions or would like additional information, please contact Vince Lee at (604) 269-2867 or email vince.lee@bcpharmacy.ca to secure your spot.

Sincerely,

Geraldine Vance
