Now You Know

The FreeStyle Libre 2 flash glucose monitoring system is indicated for measuring interstitial fluid glucose levels in people aged 4 years and older with diabetes mellitus. Always read and follow the label/insert. The FreeStyle Libre 2 app is only compatible with certain mobile devices and operating systems. Please check MyFreeStyle.ca for more information about device compatibility before using the app.

* You must be 18 years of age or older, or be accompanied by a parent, guardian or caregiver who is 18 years of age or older, to attend this event.

+ Sensors are available for eligible patients who meet the labelling requirements of 4 years or older with diabetes. Limit: one per registrant.
