Payer	Emergency Supplies Allowed	Relevant Reference
Pacific Blue Cross	Yes	<p>COVID-19 (coronavirus) update for Pharmacy Providers</p> <p>As of March 16, the BC Ministry of Health and College of Pharmacists of British Columbia put forth recommendations determining best practices for early refills and emergency supplies, which requires pharmacists to use their best judgment to ensure that everyone gets the medicines they need to support overall health and wellness.</p> <p>Pacific Blue Cross is fully aligned with these recommendations. We support pharmacist decisions in these circumstances and are committed to paying claims as per the new guidelines from the College and the Ministry.</p>
